WHO WE ARE?

- Leisure Entertainment Services LLC (LES) is a Rides & Attraction and Waterparks Installation and Maintenance Services Company with more than 30 years of experience based in Dubai, UAE.
- LES has all the necessary resources to offer the complete installation and maintenance services of all rides & attractions and waterparks for complete package of a new Theme Parks.
- LES offers disassembly and assembly of existing rides, including the proper packing and shipping to the final destination.

WHY US?

After thirty years of working in the GCC and the wider Middle East, LES understands the importance in how it specifies the minimum requirements necessary to ensure the safe installation, maintenance, operation, inspection and in-house testing of amusement ride/s and amusement device/s which are intended to be assembled/ disassembled and operated both repeatedly without degradation or loss of integrity in fairgrounds and amusement parks.

LES has a team of Technical Project Managers and technician specialists gathered from various countries throughout the world that are familiar with the type of ride attractions of the various manufacturers of amusement attractions in today's competitive market.

LES KEY OBJECTIVES

SAFETY

Obtaining suitable and competent staff involves selection, training, testing of knowledge and understanding, monitoring, auditing and keeping records. Leisure Entertainment Services select people that are able to put the safety of the public first, to follow procedures conscientiously and having the maturity and authority to give confidence to both the public and client.

SUSTAINABILITY

No matter how large or small, and regardless of their industry, all companies can contribute to the SDGs. While the scale and scope of the global goals is unprecedented, the fundamental ways that business can contribute remain unchanged. The UN Global Compact asks companies to first do business responsibly and then pursue opportunities to solve societal challenges through business innovation and collaboration.

QUALITY MANAGEMENT

The adoption of a quality management system is a strategic decision for an organisation that can help to improve its overall performance and provide a sound basis for sustainable development initiatives. For LES facilitating opportunities to enhance customer satisfaction, while addressing risks and opportunities associated with its context and objectives is one of our main objectives.
